BIRTHDAY PARTY AGREEMENT

1. The entire amount of the birthday party will be due at the closing of the party. The amount due at the end of party will depend on the amount of students participating and the amount you have already paid for a deposit.
 - a. *Description of participating student:* Any child who plays on the equipment or participates in any of the activities provided by the instructor. Children who sit in the lobby or infants in carriers are not counted as participating students.
2. Your party will only last the allotted time. If we have to wait for guests to arrive before starting, we may have to shorten part of the party to accommodate the time constraints. Please advise your guests to be on time so they can take full advantage of gym time.
3. A deposit of \$35 is required to schedule a party with us. If we do not receive a deposit at least 7 days before your scheduled party, we will not book it. The deposit is non-refundable, and deposits received 6-1 day(s) before your scheduled party will be charged an additional \$10 late booking fee.
4. Please keep in mind, the party should end at the time set for your party. The gym often has commitments and scheduled events after your time so arrangements to clear cake/gifts should be kept in mind. A \$20 per half hour late fee will be charged for parties that exceed the allotted time period. Thank you for your cooperation.
